

IT'S GIVEAWAY TIME!

Who doesn't love a giveaway?! We have partnered with other local Metairie Road businesses to put together a giveaway basket to thank YOU for your support! Prize value estimated at over \$850. Stop by the clinic during our regular business hours from June 7 and June 21 to enter. The winner will be announced at 5 pm on June 21! Additional entries available via our Instagram AND if you bring your pets in for services during the giveaway period. Thanks to these Metairie Road area businesses for their contribution to this giveaway:

- **MARK TWAIN'S PIZZA LANDING**
- **LOFT18 METAIRIE**
- **HIBROW BEAUTY EXPERIENCE**
- **MADDY J BOUTIQUE**
- **DIAMONDS DIRECT**
- **FAT BOY'S PIZZA**
- **EM'S BOUTIQUE**
- **WOOFRED'S DOG TRAINING**

PATIENT SPOTLIGHT

➤➤ **Ghostie**

Ghostie earned her place in the spotlight during her exam with Dr. Sydney by showing off some tricks! This talented kitty knows paw, sit up, and spin, and she was happy to perform for us. We love that Ghostie is not too shy to let her personality shine, even after vaccines. Does your pet have a fun story or special talent? Bring them by for their chance to get in the spotlight!

AHOM recently partnered with Trap Dat Cat, a local nonprofit dedicated to helping manage the local cat population via TNR. TNR means trap, neuter, release, and it is the most effective means for population control in feral communities. In 2023, Trap Dat Cat funded spay and neuter surgeries for over 2500 cats, and this year, AHOM is committed to helping that number grow! Pictured below, Lizzie is tattooing a cat post-surgery. We do this and tip their ear to indicate they have already had surgery so they are not unnecessarily trapped again.

AHOM IN THE COMMUNITY

STAFF SPOTLIGHT

➤➤ **Caroline Bonin**

You may recognize her from time spent here as a veterinary assistant, but Caroline is back now as a veterinary student extern for the month of June! She chose AHOM as a location she wants to get her first hands on experience examining and treating patients under the supervision of our DVMS. Caroline is set to graduate from LSU's School of Veterinary Medicine in 2027, and we are so proud of her! Congratulations, Caroline!

➤➤ **PET INSURANCE -- A TRUE LIFESAVER**

With National Insurance Awareness Day coming up on June 28, we want to encourage all of our patients to get insurance or discount plan coverage to help them get the care they need. Companies like Trupanion, Pet's Best, Embrace, Spot, and many more offer insurance options to fit the needs of you and your pet! At Animal Hospital of Old Metairie, we partner with Pet Assure, offered through many local employers, to provide discounted wellness visits, dental cleanings, and surgical procedures! Check with your employer to see if a veterinary discount program or pet insurance option is available to you. Otherwise, let us know how we can help you decide on the best insurance option for your pet.
